NEW-YORK, DECEMBER 15.

The following ASSOCIATION *of the* SONS *of* LIBERTY *of* NEW-YORK, *is ſigned by a great number of the principal gentlemen of the city, merchants, lawyers, and other inhabitants, of all ranks: And it is ſtill carried about the city, to give an opportunity to thoſe who have not yet ſigned, to unite with their fellow-citizens, to teſtify their abhorrence to the diabolical project of enſlaving America.*

IT is eſſential to the freedom and ſecurity of a free people, that no taxes be impoſed upon them but by their own conſent, or their repreſentatives. For "what property have they in that which another may, by right, take when he pleaſes, to himſelf?" The former is the undoubted right of Engliſhmen, to ſecure which they expended millions and ſacrificed the lives of thouſands. And yet, to the aſtoniſhment of all the world, and the grief of America, the Commons of Great-Britain, after the repeal of the memorable and deteſtable ſtamp-act, reaſſumed the power of impoſing taxes on the American colonies, and inſiſting on it, as a neceſſary badge of parliamentary ſupremacy, paſſed a bill, in the ſeventh year of his preſent Majeſty's reign, impoſing duties on all glaſs, painters colours, paper, and teas, that ſhould after the 20th of November, 1767, be "imported from Great-Britain into any colony or plantation in America." This bill, after the concurrence of the Lords, obtained the Royal Aſſent. And thus, they, who from time immemorial, have exerciſed the right of giving to, or withholding from the Crown, their aids and ſubſidies, according to their *own free will and pleaſure*, ſignified by their repreſentatives in Parliament, do, by the act in queſtion, deny us, their brethren in America, the enjoyment of the ſame right. As this denial, and the execution of that act, involves our ſlavery, and would ſap the foundation of our freedom, whereby we ſhould become ſlaves to our brethren and fellow ſubjects, born to no greater ſtock of freedom than the Americans; the merchants and inhabitants of this city, in conjunction with the merchants and inhabitants of the ancient American colonies, entered into an agreement to decline a part of their commerce with Great-Britain, until the abovementioned act ſhould be totally repealed. This agreement operated ſo powerfully to the diſadvantage of the manufacturers of England that many of them were unemployed. To appeaſe their clamours, and to provide the ſubſiſtance for them, which the non-importation had deprived them of, the parliament in 1770, repealed ſo much of the revenue act as impoſed a duty on glaſs, painters colours, and paper, and left the duty on tea, as *a teſt of the parliamentary right to tax us.* The merchants of the cities of New-York and Philadelphia, having ſtrictly adhered to the agreement, ſo far as it related to the importation of articles ſubject to an American duty; have convinced the Miniſtry, that ſome other meaſure muſt be adopted to execute parliamentary ſupremacy, over this country; and to remove the diſtreſs brought on the Eaſt-India Company, by the ill policy of that act. Accordingly, to increaſe the temptation, to the ſhippers of tea from England, an act of Parliament paſſed the laſt ſeſſion, which gives the whole duty on tea, the Company were ſubject to pay, upon the importation of it into England, to the purchaſers and exporters; and when the Company have ten millions of pounds of tea, in their warehouſes, excluſive of the quantity they may want to ſhip, they are allowed to export tea, diſcharged from the payment of that duty, with which they were before chargeable. In hopes of aid in the execution of this project, by the influence of the owners of the American ſhips, application was made by the Company, to the Captains of thoſe ſhips to take the tea on freight; but they virtuouſly rejected it. Still determined on the ſcheme, they have chartered ſhips to bring the tea to this country, which may be hourly expected, to make an important trial of our virtue. If they ſucceed in the ſale of that tea, we ſhall have no property that we can call our own, and then we may bid adieu to American liberty——Therefore, to prevent a calamity, which of all others, is the moſt to be dreaded——ſlavery, and its terrible concomitants,——We the ſubſcribers, being influenced from a regard to liberty, and diſpoſed to uſe all lawful endeavours in our power, to defeat the pernicious project, and to tranſmit to our poſterity, thoſe bleſſings of freedom, which our anceſtors have handed down to us; and to contribute to the ſupport of the common liberties of America, which are in danger to be ſubverted, DO, for thoſe important purpoſes agree to aſſociate together, under the name and ſtile of the SONS OF LIBERTY of NEW-YORK, and engage our honour to and with each other, faithfully to obſerve and perform the following RESOLUTIONS, viz.

1ſt. *Reſolved*, That whoever ſhall aid, or abet, or in any manner aſſiſt, in the introduction of tea, from any place whatſoever, into this colony, while it is ſubject by a *Britiſh* Act of Parliament, to the payment of a Duty, for the purpoſe of raiſing a revenue in *America*, he ſhall be deemed an enemy to the Liberties of *America*.

2d. *Reſolved*, That whoever ſhall be aiding, or aſſiſting in the landing, or carting of ſuch tea, from any ſhip, or veſſel, or ſhall hire any houſe, ſtorehouſe, or cellar, or any place whatſoever, to depoſit the tea, ſubject to a duty as aforeſaid, he ſhall be deemed an enemy to the Liberties of *America*.

3d. *Reſolved*, That whoever ſhall ſell, or buy, or in any manner contribute to the ſale, or purchaſe of tea, ſubject to a duty as aforeſaid, or ſhall aid, or abet, in tranſporting ſuch tea, by land, or water, from this city, until the 7th Geo. III, Chap. 46, commonly called the Revenue Act, ſhall be totally, and clearly repealed, he ſhall be deemed an enemy to the Liberties of *America*.

4th. *Reſolved*, That whether the duties on tea, impoſed by this act, be paid in *Great-Britain*, or in *America*, our Liberties are equally affected.

5th. *Reſolved*, That whoever ſhall tranſgreſs any of theſe reſolutions, we will not deal with, or employ, or have any connection with him.

CHARLES-TOWN, FEBRUARY 21.

LAST Tuesday the Court of General Seffions of the Peace, Oyer and Terminer, for this Precinct began; and the Buſineſs was gone through on Saturday, when the Preſentments of the Grand Jurors were delivered in, of which we have not yet obtained a Copy.

The Day before the Seſſions began, a Diſcovery was very opportunely made, by means ſeveral of the Burglaries and Robberies, which have been ſo frequent of late, were committed; and on Wedneſday two Negroes, who had been Principals, were tried, convicted, and received Sentence, to be hanged on Wedneſday next. The Diſcovery was opportune, in that it occaſioned ſome Searches, which brought to Light Part of a moſt infamous and dangerous Set of Villains, of whom the Public had entertained very little Suſpicion, amongſt whom are John Thomſon, an Umbrella-maker and Shop-keeper, Richard Thomſon, who kept a Livery Stable, and George Vargent, a Coachman; who received their Trials laſt Saturday, were convicted, without the Jurors leaving the Court, and are to receive Sentence on Saturday next: The two former, it ſeems, have for a long Courſe of Time, been Inſtigators to the Robberies, and received the Plunder, to the Amount of many Thouſand Pounds; the latter appeared to have been only aſſiſting in receiving and concealing for the others. 'Tis thought, that there are ſtill more concerned.

On Wedneſday laſt arrived here, in the Brigt. Amity, Capt. [illegible], from London, and was the ſame Evening depoſited in the Family-Vault in the French Church Burying-Ground, the Body of the *Hon.* PETER MANIGAULT, who went for England in May laſt, for the Recovery of his Health, but died in London on the 12th of November, aged 42 Years.——This Gentleman was a Native of this Town, and only Son of Gabriel Manigault, Eſq; one of the moſt reſpectable Characters in this Province.—An excellent Underſtanding, improved by the moſt liberal Education, a benevolent Heart, a liberal Hand, and a moſt ſocial Diſpoſition, rendered him a very uſeful Member of the Community, and a moſt agreeable Companion. He was choſen Speaker of three ſucceſſive Houſes of Aſſembly of this Province, in which important Station his Talents ſo diſtinguiſhed him, that he always acquitted himſelf with Honour, and to the entire Satisfaction of his Conſtituents and Countrymen: And he was one of thoſe Gentlemen, to whoſe liberal Support we owe the Eſtabliſhment of Mr. Egan's Brewery in this Town, now in ſuch a State, as to rival our Northern Neighbours, and retain in this Province near 20,000l. a Year. We muſt not omit to mention, that many Unfortunates in particular, enjoyed his Friendſhip in an uncommon Degree, and will long deplore his Loſs, with unaffected Grief.

The ſame Day the Body of Capt. Terence M'Donough, late Commander of the Comet Packet-Boat, who was unfortunately drowned on the 5th ult. floated into the Market-Dock, near the Place where he fell into the River, and the ſame Evening was decently interred.

The ſame Day died, Mrs. Ann Bell, Widow of Col. Thomas Bell, and Siſter to the late Mr. Juſtice Murray.

The ſame Day arrived here, His Majeſty's Packet-Boat Swallow, commanded by Capt. William Copeland, with the November Mail from Falmouth.

The Sandwich Packet Boat, commanded by Capt Nottingham, which ſailed from this Port for Falmouth on the 25th of September laſt, met with a violent Storm on the 11th of November, in which it was entirely diſmaſted, and otherwiſe ſo much damaged, that it was fortunate for the People afterwards to meet with a Veſſel from Newfoundland bound for Jerſey, who took the Mail, Paſſengers, Captain and Crew on board, and carried them to Jerſey; from whence Capt. Nottingham got the Mail to Plymouth, and Lieutenant Governor Durnford, and Lady, of Weſt-Florida, who were Paſſengers, got to Portſmouth.

Laſt Wedneſday put in here, the Brigt. Union, of and for Philadelphia from Dominica, John M'Ever, Maſter. On the 13th of January, in Lat. 35, Long. 57, Capt. M'Ever met with a violent Gale of Wind, in which he loſt his Main-maſt and ſmall Boat, had ſeveral Timber-Heads and his Long-Boat ſtove; nevertheleſs, after getting up a Jury-maſt, he beat for his Port four Weeks, when loſing his Foreſail, and being almoſt deſtitute of Proviſions, he was obliged to bear away for this, which he reached after having been fifty Days at Sea.

The ſame Day put in here the Brigt. Suſannah, of and for Rhode-Iſland, from Hiſpaniola, having been blown off.

On Thurſday laſt the Rev. Robert Smith, the worthy Rector of St. Philip's Pariſh in this Town, was married to Miſs Sally Shubrick, Daughter of Mr. Thomas Shubrick, a young Lady of ſuch excellent Accompliſhments, that they may fairly be pronounced a moſt happy Pair.

Capt. Haggey, of the Ship Newmarket, which arrived here laſt Thurſday from London, on the 29th of laſt Month, in Lat. 27. 35, Long. 54, met with a Sloop in the greateſt Diſtreſs imaginable; five poor emaciated Creatures on board accoſting him with up-lifted Hands, crying, they were "ſtarving alive," and begging Relief. She proved to be the *George, Richard Juſtice*, Maſter, which had come out from Virginia 50 Days before, laden with Indian Corn, bound for New-York, and with only one Week's Proviſion. They had ſubſiſted for ſome Time on nothing but Corn, roaſted on an Iron Pot, did not underſtand navigating the Sloop, and in that Condition had been driven to and fro, till they met with a Veſſel from Barbados, which ſpared them a Man to navigate, and a few dried Fiſh, but no Water, being ſhort of that Article themſelves. Upon being deſired to ſend their Boat, they acquainted Capt. Haggey, that they had none; that it had been cut up and uſed as Firewood, and they had then only the laſt Stick of her, the Keel; whereupon he ſent them, in his own Boat, Bread, Beef, Potatoes, Candles, Cheeſe, Water and Firewood, for a Month, to carry them to Antigua, for which Iſland they bore away.

Mr. James Bentham, of this Town, returned from Jamaica, laſt Saturday, in the Brigt. Neptune, Capt. Thomſon; who has alſo brought in Part of the Crew, and Sails of the Sloop *Jamaica Packet* of this Port, *David Tines* Maſter, which was loſt laſt Monday Morning, on the Gun-Key, in the Gulph of Florida.

The Cherokee Indians have given the ſtrongeſt Aſſurances of their peaceable Diſpoſition; in Conſequence of which the alarmed Inhabitants of our weſtern Frontiers, are moſtly returned to their Settlements, and have erected twelve Stockade-Forts, for their future Security, ſhould any Diſagreement happen.

There have been no new Alarms on the Side of Creek's. The Headmen of that Nation continue to diſavow their having given any Countenance to the late Outrages, and expreſs much Concern thereat. They have declared that, "they do not want "War, that they have War enough with the Cherokee's, againſt "whom a great Part of their Nation are gone; that as the white "People began, and there had been Blood ſpilt on both Sides, "they hoped Matters might be the more eaſily accomodated; "and that the Party of mad young Men, who committed the "Murders, ſhould be called in."

All the Settlements near Ogeechie in Georgia, would have been totally abandoned, had not Mr. Galphin been indefatigable in collecting and encouraging the Fugitives to return and build Forts, amongſt whom he ſtaid 15 Days while he ſent into, and till he obtained ſatisfactory Intelligence from, the Creek Nation.
